## ■ Management & Principals

### **Our Motivator, President Shri Vanrajbhai Garaiya**

Based on the teaching & Principles of our Inspiration, beloved My Father Late Shri Bachubhai Govindbhai Garaiya we are committed to provide high quality world class education in field of Ayurved. The motto of our college to be best of excellency in all perspective. For that, we are trying our best to fulfill and provided quality teaching and best facilities is our ultimate goal. The future doctors passing out from our institute, should have humanity through which, they can built this unique identity. For achieving this purpose, We are constantly working hard, as well as we are proud of it.

### **Our Architect, Trustee Shri Rambhai Garaiya**

Best teaching, best facilities and best discipline is a demand for all time, we have been providing it since the establishment of our institute continuously, without any hurdles. Students are blank currency notes and as per requirement we print them. Consequently, We convert them into market. We mend them a shine by imparting knowledge because now-a-days knowledge is currency for there bright future, we have been shaping them.

### **Our Pillar, Trustee Shri Aebhalbhai Garaiya**

We strongly believe in the concept of an integrated campus with this idea of holistic learning approach from primary, secondary and Higher education. We believe this would play a significant role in framing the mind set of upcoming generation.

We believe in the all round development of the students, so we are promoting sports along with studies at our campus. We have developed state of art sports facilities for various sports like Cricket, Athletics, Gymnastics, Volleyball, Basket ball, Foot ball etc. which may help the students to achieve excellence in sports too.

We are striving to make Garaiya Gyanpeeth as one of the best education campus with our dedication, sincere efforts and hard work.

## About College

- The Bachubhai Govindbhai Garaiya Ayurveda College was established by Shri Gyanjyot Education Trust in Year 2017 with an aim to provide excellent, value based and quality education in the field of Ayurveda.
- Since inception, The college has gained popularity amongst the students of Gujarat for imparting quality education in the Ayurveda. The College is running full- fledged Undergraduate, Bachelor of Ayurvedic Medicine & Surgery (B.A.M.S.) Degree Course of 5½ years duration including one year compulsory rotating internship, with an intake of 100 students .
- The college is approved and recognized by National Commission for Indian Systems of Medicine(NCISM), New Delhi and Ministry of AYUSH, Government of India. It is affiliated to Gujarat Ayurved University, Jamnagar.
- The Ayurvedic Medical College has its own independent buildings separate for College & Hospital in the same campus under Green campus with fully Wifi zone, spreading over approx 8 Acres of land. College has 5 smart lecture halls, well equipped with latest audio visual facilities, 14 teaching departments, state of art laboratories, dissection hall, museum etc. The departments have a enough number of specimens, charts instruments, equipments. A separate Herbal garden is maintained in the campus.
- The college has a 110-bedded attached teaching Ayurvedic hospital which is fully operational and has essential services, including radiology, pathology, and specialty OPDs like Psychology and fertility. The Hospital is one of its own kind with orientation of traditional Ayurvedic Clinical Education. It has separate facilities: for Dispensing Ayurvedic Medicines, Casualty, X-ray, Clinical Investigations, Labour Room, Modular Operation Theatre. We herewith overjoyed to inform that, On 6th January 2022, the hospital has received accreditation from the "National Accreditation Board for Hospitals (NABH)", One of the Ayurvedic hospitals in Gujarat to get this accreditation.
- The Institute caters to the health needs of the society by organizing various camps. The Institute also provides health services to old age home. Institute has provided health services during epidemics and natural disasters. Our students participate in National programmes like - Pulse polio, Universal immunization program.
- The college has a master class seminar hall of 350 student capacity, which is well design with latest Audio visual facilities. The college has a central Library with more than 10,000 books including Ayurvedic and Modern Textbooks, Reference books and International Journals. There is separate reading room for teaching staff and students along with digital library. Facilities of Indoor & outdoor games are available for the students. Students are encouraged to participate in various cultural events, competitions organized at different levels like - College / University / State / National.
- Our institute further enhances student education by providing a variety of learning opportunities, including classroom seminars, workshops, symposiums, webinars and lectures by National and International experts.

**‘ Healing Naturally, Educating Globally ’ !**

## ■ Mission

B.G. Garaiya Ayurveda Hospital is dedicated to providing holistic healthcare rooted in the ancient wisdom of Ayurveda. Our mission is to promote wellness and healing through natural, safe, and effective treatments. We enhance the quality of life for our patients by offering personalized care, addressing the root causes of illness and integrating traditional practices with modern healthcare advancements.

## ■ Vision

Our vision is to be a leading center of excellence in Ayurvedic medicine, renowned for compassionate care, innovative research and comprehensive education. We aim to foster a deeper understanding of Ayurveda globally, advancing its practice to meet contemporary health challenges. We envision a world, where Ayurveda is recognized as a vital component of holistic health care.

## ■ Accreditation

B.G. Garaiya Ayurveda Hospital is proudly accredited by the National Accreditation Board for Hospitals & Healthcare Providers (NABH), reflecting our commitment to the highest standards of quality and patient care. By combining ancient traditions with modern insights, we advance the field of Ayurveda, provide exemplary care and nurture the next generation of practitioners.

### ■ Department of Samhita & Siddhanta

The Samhita-Siddhanta department is one of the most significant departments in any Ayurveda. The department deals with the fundamentals of Ayurveda which are presented in the Ancient classical texts like Charaka and Sushruta Samhita which are basic pillars of Ayurveda. The Samhita-Siddhanta department provides necessary training on Sanskrit language which is the basis of Ayurveda learning. The department conducts various academic activities like classical Samhita learning, plasticising Sanskrit verses (Slokas) regularly and developing the fundamental skills among students.

### ■ Department of Rachana Sharir

The Department of Rachana Sharir at our college offers comprehensive education in human anatomy through the lens of Ayurvedic principles. Our curriculum integrates traditional Ayurvedic knowledge with modern anatomical science, providing students with a holistic understanding of the human body. With state-of-art laboratories and experienced faculties, we emphasize hands-on learning and detailed anatomical dissections. Our department aims to cultivate a deep concern for the intricate design of the human form, preparing students for advanced studies and professional excellence, and initiate further research in Rachana Sharir through various Research projects, in the field of Ayurveda Science.

## ■ Department of Kriya sharir

The Department of Kriya Sharir (Physiology) at our college focuses on the applied study of human physiology through the lens of Ayurveda. Our curriculum bridges traditional Ayurvedic concepts with modern physiological sciences, offering students a practical understanding of bodily functions. Utilizing advanced laboratories and guided by experienced faculty, students engage in hands-on and experiments in real-world applications of physiological principles. Our program emphasizes the integration of Ayurvedic practices with contemporary health approaches, preparing graduates to effectively apply this knowledge in clinical settings, research, and holistic health initiatives, thereby enhancing the field of Ayurveda medicine.

## ■ Department of Dravyaguna

The Department of Dravyaguna at our college focuses on the applied study of Ayurvedic medicinal herbs and their properties. Our curriculum blends traditional Ayurvedic knowledge with modern pharmacological science, providing students with practical skills in herbal medicine. With access to herbal garden advanced laboratories and experienced faculty, students engage in hands-on activities such as herbs micro identification, formulation, and therapeutic application. Department organizes study tours to nearby biodiversity flora, awareness programs on cultivation and conservation of medicinal plant. Departmental programs focus on herbal clinical use, therapeutic benefits, and safety practice, research, and natural health product development, advancing Ayurveda medicine.

## ■ Department of Rasashastra Evam Bhaishajya Kalpana

The Department of Rasashastra and Bhaishajya Kalpana at our college emphasizes the applied study of Ayurvedic pharmaceuticals and alchemy. Our curriculum combines classical Ayurvedic techniques with modern pharmaceutical science, providing students with hands-on training in the preparation and standardization of Ayurvedic medicines. Utilizing advanced laboratories and guided by expert faculty, students learn the practical aspects of drug formulation, processing, and quality control. The department focuses on the therapeutic applications and safety of these preparations, equipping graduates to integrate this knowledge into clinical practice, research, and the development of effective Ayurvedic products, advancing in the field of Ayurveda medicine.

## ■ Department of Swasthavritta and Yoga

The Department of Swasthavritta and Yoga at our college emphasizes the applied study of preventive healthcare and holistic wellness through Ayurveda and Yoga. Our department integrates traditional Ayurvedic principles with contemporary health practices, providing students with practical skills in disease prevention, health promotion, and lifestyle management. With access to advanced facilities and guided by experienced faculties, students are engaging in activities such as yoga, nutrition, and personalized wellness planning, Community Health Care programs, effective implementation of wellness practices.

## ■ Department of Rognidan

The Department of Roga Nidana at our college focuses on the diagnostic principles and techniques of Ayurveda. Our department integrates classical Ayurvedic diagnostic methods with modern medical diagnostic approaches, providing students with a comprehensive understanding of disease identification and classification. Department has a well equipped laboratory with advanced diagnostic equipments to support the teaching, research, and diagnostic needs of our students. The department focuses on the clinical approaches and equipping graduates to integrate this knowledge into clinical practice, research and the development of effective qualitative Ayurveda Knowledge.

## ■ Department of Agada Tantra (Forensic medicine and Toxicology)

The Department of Agada Tantra and Vidhi Vaiidyak at our College, offer comprehensive education in Forensic Medicine and Toxicology, covering forensic pathology, toxicology, and medico legal aspects. Our expert faculty provides quality education. Facilities include charts, specimens, weapons, and modern teaching aids. We provide Outpatient Department services for toxicology cases. Educational tours offer exposure to court proceedings, autopsies, Forensic Science Laboratories, and snake parks. The department prepare students for successful careers in forensic science, blending academic excellence with practical experience.

## ■ Department of Prasuti Tantra Evam Stri Roga

The Department of Prasuti Tantra Evam Stri Roga is always focusing on practical outcome of the subject through clinical postings, training of labour, different treatment of gynecological and obstetric diseases in Ayurveda along with Garbha-Samskar as well. Department has well established library, where students can get the knowledge of ancient as well as updated references of Prasuti Tantra & Stri Roga. This discipline includes prenatal care, management of labour and postpartum care ensuring the health and well being of both mother and child. Prasuti Tantra emphasizes natural and holistic approaches including dietary, herbal treatment and lifestyles modifications to support reproductive health.

## ■ Department of Kaumarbhritya (Balroga)

The Department of Kaumarabhritya (Balroga) at our college is dedicated to the holistic care of children, focusing on their physical, mental, and emotional well-being. Kaumarabhritya a branch of Ayurveda, emphasizes the importance of early childhood care and aims to ensure the healthy growth and development of children. Our department offers a comprehensive curriculum that covers various aspects of pediatric care, including nutrition, growth monitoring, developmental milestones, and management of pediatric diseases. Additionally, we introduce students to traditional practices like Swarnaprashana, which enhances the immunity and overall health of children.

## ■ Department of Kayachikitsa

The Department of Kayachikitsa at our college is a blend of ancient wisdom and modern medical advancements, focusing on restoring health and balance through natural means. Our curriculum covers Ayurvedic diagnosis and treatment, including herbal medicine and lifestyle interventions. With a patient-centered approach, our faculty guides students to understand diseases deeply, empowering them to create holistic treatment plans. Our department is proud to offer excellent OPD and IPD facilities, providing students with hands-on training in managing various ailments. Through clinical training, we nurture the next generation of Ayurvedic physicians committed to restoring health and wellness, bridging the gap between tradition and innovation in healthcare.

## ■ Department of Panchakarma

Panchakarma, a cornerstone of Ayurveda, is a holistic healing and rejuvenation process that detoxifies and restores balance to the body, mind, and spirit. Our college's Panchakarma program offers a comprehensive curriculum that covers the five key therapies: Vamana, Virechana, Basti, Nasya, and Raktamokshana. Through a blend of theoretical knowledge, practical sessions, and clinical experience, students learn the principles and techniques of Panchakarma. They gain proficiency in patient assessment, treatment planning, and the administration of therapies using medicated oils and herbs. This prepares them to provide effective Panchakarma treatments, promoting wellness and vitality in individuals while upholding the traditional principles of Ayurveda.

## ■ Department of Shalya Tantra

The Shalya tantra is a specialized branch of Ayurveda dedicated to Surgical interventions. Its rooted in Ancient Indian medical tradition, It encompasses both Surgical and Para-Surgical Techniques to diagnose and treat a wide range of ailments, particularly those related to Ano-Rectal, Muculo-skeletal System ,Tumours ,Wounds and Fractures, PRP for Hair fall therapy. Shalya Tantra practitioners employ therapeutic modalities with the help of Modular Operation theater & minor operation theater Notably, Shalyatantra emphasizes holistic patients care, Integrating principles of Ayurveda to address not only physical but also mental and spiritual well being with a rich historical legacy of Sushruta 'The Father of Surgery'.

## Shri B. G. Garaiya Ayurveda Hospital

### હોસ્પિટલ ની વિશેષતાઓ

1. આધુનિક સાધનોથી સુસજ્જ નિષ્ણાંત ડોક્ટરોની ટીમ સાથે 9 ઓપીડી ની સુવિધા
2. આઈપીડી માં આઈસીયુ અને આઈસોલેશન સાથે 110 બેડ ની વ્યવસ્થા
3. 24 કલાક આપાતકાલીન તબીબી સેવા ઉપલબ્ધ
4. વિશેષ રોગો જેમ કે ડાયાબિટીસ, બી.પી. વગેરે માટે અલગ ઓપીડી વિભાગ
5. આધુનિક સાધનો થી સુસજ્જ લેબોરેટરી સુવિધા
6. અગ્નિકર્મ, રક્તમોક્ષણ, જલૌકાઅવચરણ, ક્ષારકર્મ જેવી ઉપક્રમ સુવિધા ઉપલબ્ધ
7. ઉત્તમ ઇચ્છિત સંતાન પ્રાપ્તિ માટે ગર્ભ સંસ્કાર સુવિધા
8. ઓપીડી તથા આઈપીડી ના દર્દીઓ માટે દર્દીની તાસીર અનુસાર યોગા તથા આહાર અંગેનું માર્ગદર્શન
9. આધુનિક સાધનોથી શાસ્ત્રોક્ત પંચકર્મ થેરાપી સુવિધા
10. પક્ષાઘાત રોગ માટે વિશેષ સારવાર
11. આધુનિક સાધનો થી સુસજ્જ ઓપરેશન થિયેટર
12. કાન, નાક, ગળાના રોગો સાથે અલગથી દાંતના રોગોની ઓપીડી
13. હરસ, મસા, ભગંદર જેવા મળ માર્ગનાં રોગોની વિશેષ સારવાર

### Prof. Dr. L.S. PANIGRAHY, M.S.

Principal, B G Garaiya Ayurveda College and NABH Accredited Hospital, Rajkot.

Our institution is dedicated to excellence in Ayurvedic education and healthcare. We blend ancient Ayurvedic wisdom with modern science, providing a comprehensive curriculum that prepares students to tackle contemporary health challenges. Our NABH accredited hospital offers hands-on training under experienced practitioners, ensuring practical skill development. We focus on holistic growth, fostering academic excellence, ethical values, and compassionate care.
